persecution.

Form 990, Part III, Line 4a, Program Service Accomplishments:

engagement strategy is both innovative and singular. We work closely with governments and influential scholars to advance the view that religious freedom - properly implemented - can be a critical component of social and political stability. Effective and sensitive management of religious activity by states can serve as an antidote against some forms of religious extremism, and can help governments to build bridges with disaffected minority communities.

Through its quarterly journal, The Review of Faith and International Affairs (to-date the only journal focused exclusively on this topical nexus), its Center for Women, Faith, & Leadership, and other research and education initiatives, IGE inspires and equips leaders working for positive relationships between religion and public life worldwide.
